TO VIEW THE NEW KIT & PLACE AN ORDER ACCESS OUR NEW SWIMZI CLUB SHOP BY CLICKING ON THIS LINK:

>>> <https://www.swimzi.com/club/blythe-barracudas-sc/> <<<

You have until **midnight on Saturday 14th September 2019** to order your kit before the shop closes and all ordered kit is produced and despatched.

If you want to see the kit before ordering some samples should be available at different training sessions over the next couple of weeks. We'll send some Whats App messages telling you where!

This fab new kit has been chosen to complement our existing kit so swimmers can continue to wear their current shirts etc. We will also be selling our stock of the old kit at half price. It's predominantly shorts and hoodies in very large/small sizes as well as girls swimming costumes.

If you are interested in buying any of the existing stock, please email shop@blythebarracudas.com

Don't forget swimmers representing Blythe in open meets, galas and leagues should have a club hat, shirt and performance hoodie.

WHAT HAPPENS AFTER 14th SEPTEMBER

The shop will still be viewable 24-7 and any orders placed after September 14th will be added to the wish list . . .
